We invite you to join in the upcoming Listening Circle for parents and caregivers of currently enrolled students at West Campus High School via Zoom. The WC Community is committed to providing a safe and supportive space to walk with one another through these tough times. Each circle will be hosted and facilitated in collaboration with SCUSD's Youth Development Support Services, the Social Emotional Learning Department, Student Support and Health Services and School, Family, and Community Partnerships. These sessions are designed to provide a blend of sharing and silence, compassion and curiosity; so that all can listen and be heard, and consider what is possible for our students and the WC community as a whole moving forward. These meetings will offer a unique and powerful step in that direction.
