Treasurer’s Report

Desiree Pierson

The Foundation account beginning balance was \$52,355.20 and after adding \$927.15 (\$870 for Senior Trip), spending \$866 in reimbursing teacher supplies plus scholarship spending, the ending balance is \$52,396.35. Danielle mentioned that \$1,800 will be spent on the National Diversity Council and listening session but that will come out of next months budget. Heather stated that the Foundation’s matching senior trip fundraising donations was a big success with \$870 donated from 12 parents electronically and one check of \$700 from another family.

Funds Requests

Danielle Seperas

Student, Amaya Garcia presented stating girls' soccer has created a Go Fund Me account and sells snacks at games to fundraise for socks and uniforms. Requesting \$1,000 for JV and Varsity girls' and boys' teams; approximately 60 players would benefit from new soccer balls and nets. Coach Neumann stated the girls are constantly shagging balls as there's not enough for 2 teams. New players need socks which are \$20 per pair and the nets have holes big enough for balls to go through, making it difficult for referees to know if a goal has been scored.

Wrestling Coach Jerry Smith, requested \$1,000 for Mat tape, head gear and throwing dummies to prevent student injuries. The program has grown from 12 to 25 students so more uniformed headgear is needed. Both boys and girls' programs need throwing dummies to learn moves without hurting students in practice. Mats are too thin and difficult to move. Fundraising is usually candy sales but this year they tried 'Fundraising one hour' where all students called friends and family asking for donations for one hour. During the 1st hour, \$2,000 was donated then the first check to come in was \$5,700. Velcro style mats in 3 pieces instead of six cost about \$10,000. Headgear lasts 5-6 years.

ASB Update

Amaya Garcia

This week is Spirit Week, there will be a rally Friday, can food drive, after break there will be a food fair at lunch for clubs and sports to fundraise.

Principal's Report

Mr. McMeekin

There are multiple ongoing investigations into VP racial incidents, with Principal as witness, not lead. He is working with the Social Emotional Learning Director and Youth Development Director to engage students, staff and parents in dialog which is mostly listening at this point. He is working closely with student leadership groups to reach entire student population and is an ongoing process. Also, with The Parent Engagement Team and Student Site Council in discussing ways to support the school with Title one funds and survey from students. Suggested that the Parent Team connect with Foundation to work on this together.

With the vaccine mandate, West Campus is leading the way with 82% of students receiving the 1st shot and about 2% have turned in exemption forms.

Graduation is Wednesday, June 15th at Sutter Health Park, 6pm.

Fundraising and Event Updates

Heather Pettit
